

## Finance Essentials for Banks

1 Day (for dates see [www.financetalking.com](http://www.financetalking.com))

### SUMMARY

This concise, one day course will enable you to gain a working knowledge of how banks make money and create value for their shareholders. We will cover bank strategy and key performance indicators; how the income statement and balance sheet work for a bank and the headline numbers for results; how banks are regulated and the impact this has on strategy and performance. We will use a major bank as our main example and compare to a range of others in the sector.

### PRE-REQUISITES

*Introduction to Financial Markets, Financial PR and IR Course; or Introduction to Capital Markets eLearning; or equivalent knowledge.*

### OUTCOMES

- Become conversant with the language of a bank's senior management
- Understand the business of banking and how banks make money
- Appreciate how banks create value for shareholders and how this drives strategy
- Understand bank balance sheets and income statements
- See how banks are regulated, including capital ratios, leverage, liquidity etc
- Be able to use key performance indicators to tell your financial story

## WHAT'S INCLUDED

- Breakfast, lunch and snacks throughout the day at one of wallacespace's lovely venues
- A folder containing all your course materials
- A copy of our printed financial glossary
- Briefing papers, online courses and quizzes available after your course via a virtual classroom
